## GILT BROMAC HEADS TRIO OF BROMAC WINNERS

Smart racemare **Gilt Bromac** lead home a group of impressive Bromac performances when winning by a widening 9 metres at Mildura today.

Rating 1:59.8 for the 2190 metre journey **Gilt Bromac** was recording her 22nd career victory and took her earnings into the shadows of the \$200,000 mark.

Another Bromac race mare to win today was the well bred **Jonty Bromac** who has been in good form lately and made it 7 wins for the season when taking out the opening event at Gloucester Park.

**Jonty Bromac** rated an even 2:00 over the 2100m but produced an enormous effort after being in the open two and three wide for much of the event.

The third Bromac winner was the newbie on the block – **Tallahasee Bromac** who was recording just his second win but has only had two starts to date anyway!!!

The **Red River Hanover** 3YO won at Wagga by 2 metres over the 2165 metres after an impressive 18 metre debut victory on the same course last week.

Also showing good form at Gloucester Park was the very smart 3YO **Trojan Bromac** who was a clear last early before being sent 3 wide in pouring rain for the final lap in his event.

With a speed duel happening at the front end he made up a massive amount of ground to grab third placing short of the line and just miss second in a 1:57.2 rated 1700m race.
