

SAMARIAS BROMAC HAS HE'S WATCHING COLT

Samarias bromac with her He's Watching colt foal

Samarias Bromac, the Righteous Hanover dam of lightly-raced winner Samarias Falcon, has foaled a colt by USA speed merchant, He's Watching (1:46.8).

A sensational track performer by American Ideal, He's Watching was the USA 2YO Colt Of the Year, going unbeaten in eight starts including a New York Sires Stakes Final.

At three, he won the Meadowlands Pace in world equalling time of 1:46.8, becoming the fastest 3YO of all time at the Meadowlands, and also a Empire Breeders Classic Final and ran third in the North America Cup Final.

The cross should work well as Samarias Bromac was a smart racemare for the Robert Dunn stable, winning seven and being eight times placed in 39 starts, for \$40,683.

Her fastest winning run was over 1700m at Invercargill in January 2011 when she rated 1:57.1.

Samarias Bromac is a grand-daughter of Tooraloo (nine wins from 21 starts), the 1991 NZ 4YO Pacing Mare of the Year.

Her dam Sammy Too (Samarias-Tooraloo) was placed five times in 15 starts, while her half-sister Claudia Maree left another good mare in Claudia Cardinal (10 wins from 39 starts for \$40,128).

Tooraloo was a half-sister to the good winner Samuel James (1:57.7, Aust), Evergreen Bay (three), Alice Of York (1:52.2, US), and In Salty's Pocket, the latter becoming a lightly-ried In The Pocket dam of winners, Chapel Maree, Ebony Chapel (1:52.8, US) and Dream Chapel (1:54.7, Aust).

Tooraloo's dam was Alice Maree (Majestic Chance-Petite Sal), a half-sister to former smart 1970s south winner Monarque (five wins).

Their dam Petite Sal (six wins) was a half-sister by Garrison Hanover to NZ's first 2:00 three-year-old pacer, Parlez Vous (10 wins from 32 starts).
