SLICK IS SLICK WITH THREE FROM THREE

Slick Bromac ran true to his name when recording his third Australian win from as many starts at Newcastle on Saturday night.

The son of **Falcon Seelster** was exported in March after winning half a dozen New Zealand starts which saw him saluting the judge once, at Cambridge last December.

Whilst he may not have had a lot of luck in the land of his birth, he has more than made up for it since landing in state of New South Wales.

Three starts over the mile, and mile and a quarter distances have seen him improve with each win, culminating in a 15 metre winning margin at Newcastle and a 1:59.8 mark.

His four wins have seen him earn just over \$15,000 in stakes to date.

Slick Bromac is a full brother to the smart **Smudge Bromac**, a 2YO in the season just completed.

Smudge Bromac won 4 races and ran an outstanding third in the **\$100,000 Kevin Seymour Final** to **Deadsetlucky** (8 2YO starts 5 wins \$91,480) and **Captain Joy** (\$307,525 G1 AU Breeders Crown winner).

He was also fortunate to stay on his feet in the incident packed **Group One Australian 2YO Breeders Crown Final**. Back early, like others he was inconvenienced going out of the straight the last time when hot favourite **Living On Fire** stopped suddenly (found to have an irregular heart beat). Then with the field compacting going down the back straight, he was 3 wide and starting to make his run when the Tasmanian juvenile star **Cody Maverick** fell and took out half the field.

Tragically **Cody Maverick** was later destroyed, his record of 9 wins from just 13 starts evidence of what have been for his connections.

Smudge Bromac was badly checked during the incident and although he was fortunate enough to stay on his feet, he bought up the rear of the wrecked field crossing the line in fifth place.

Slick and **Smudge**'s dam is the **Live Or Die** mare **Sabrina Bromac** who produced the two juvenile winners from her first two years at stud. She visited **McArdle** for the next two years producing a filly - **Seshny Bromac** (2YO in the new season) and then a colt - **Chopin** and is currently in foal to **Red River Hanover**.

More on Sabrina Bromac can be seen by viewing her pedigree in our Broodmare section.
