CULLEN BROMAC IN FOURTH CONSECUTIVE VICTORY

Cullen Bromac made it four in a row when he toughed it out to win at Cranbourne last night.

The hot favourite flew from the 4 barrier as the mobile pulled away but still had to settle three wide in the early speed rush before landing up outside leader **Jordylan** for the majority of the race.

Not asked for an effort until the home straight **Cullen Bromac** came home best taking the lead off Jordylan and holding off the sprint lane finishing burst of Blissfull Bird.

The **Christian Cullen** 3 year old has now won five of his eight seasonal starts and eleven from twenty in his first two campaigns.

Last night's time of 1:58.5 was his fastest victory to date, with a final quarter in 28.2.
