PENRITH AN EASY RUN FOR SESHNY BROMAC

Talented mare **Seshny Bromac** continued a very good record for her dam **Sabrina Bromac** and pushed the case for purchasing her half brother **Shakti Bromac** at the upcoming Australasian Classic Yearling Sales when she won at Penrith today.

In only her second Australian start the **McArdle** mare went out as a very clear favourite and after sitting back from a wide draw, she began a three wide run entering the home straight the second to last time. Although sitting three wide in the open for much of the lap, she kicked clear before they straightened up and did it easily.

The end margin was almost 7 metres and she covered the 1720m in a mile rate of 1:59.8.

It was **Seshny Bromac**'s third win and took her earnings well past the \$31,000.

Seshny Bromac is a half sister to the **Falcon Seelster** brothers **Slick Bromac** and **Smudge Bromac** who have won over \$260,000 and 35 races between them to date.

They are full brothers to **Shakti Bromac** who is Lot 160 at the Australasian Classic Yearling Sales.
