DONOVAN BROMAC TOUGHS IT OUT AT GLOUCESTER PARK

The public couldn't quite make up their minds between **Donovan Bromac** and **Hirli Birli Lombo** at Gloucester Park last Saturday (Aug 7th) and the race that ensued showed why until they straightened for home when **Donovan Bromac** decided to prove they picked the wrong horse ..

Caught 3 wide for the first 200m and then 4 wide for the remainder of the first lap when **Hirli Birli Lombo** pushed out underneath him, **Donovan Bromac** was sent sprinting for the lead as they passed the post the first time.

Hirli Birli Lombo followed him but decided to settle outside his wheel when it was evident he wasn't going to pass the **McArdle** colt. They went head to head for the second lap and much of the final lap until the home bend when upon straightening, **Donovan Bromac** simply moved up another gear and pulled clear. **Hirli Birli** tried hard but just couldn't get his nose beyond the rump of **Donovan** and that was the way they passed the post.

The 2130 metres was covered in a gross time of 2:37.7 with a mile rate of 1:59.1 and the final quarters in 29.7 and 29.4 respectively.

It was **Donovan Bromac**'s third win from his last four starts and he has now won 4 races and placed 4 times from 13 NZ/AU starts to date.
