## PERFECT SEASON'S START FOR GILT BROMAC

**Gilt Bromac** started the new season off in the best possible style when she took out the Alan Jennings Pace at Maryborough yesterday.

The **Courage Under Fire** mare was recording her 11th lifetime win and did it emphatically.

Drawn three behind the gate in a 2190m mobile she led throughout and had the rest of the field off the bit with 400m to go. A strong and sustained finish from **Christian Melody** was good enough to best the remainder of the field but never looked like taking her past the **Gilt Bromac**. Third home was race favourite **Howards Dilemma** who sat outside **Gilt Bromac** throughout the race. As the field became stretched approaching the home turn, the favourite popped down into the sprinting lane but could make no headway against the leader and finally had to settle for third, almost six lengths back.

The victory took **Gilt Bromac**'s record to 11 wins from 27 starts to date for earnings just over \$80,000. Her main win to date was an impressive victory in the 3YO fillies **Listed VIC Gold Chalice** over the classy performers **Very Chic** and **Staccato**. She has recorded 4 sub 2:00 victories including a 1:59.4 effort at two and took a fastest time of 1:58.4 last season at three.

Out of the former smart filly **Gilt Laughter**, **Gilt Bromac** is a half sister to three 2:00 performers including **Gary Bromac** (9 wins to date).

She is also from the same family as the current smart West Australian mare **Glitzy Miss** who won the **G2 Empress Stakes** at Gloucester Park in April of this year. A 1:57.8 winner she has won 12 races and over \$138,234 to date.
