DONOVAN BROMAC LATEST 2YO QUALIFIER

McArdle juvenile **Donovan Bromac** is the latest to join the ever increasing list of **Bromac** two year olds to qualify in New Zealand this season.

The promising colt is related to a number of yearlings in the upcoming National Yearling Sales next week including lots **168, 179, 378, 388** and **398**.

Out of the qualified **Live Or Die** mare **Deanne Bromac**, **Donovan Bromac** paced the mobile 1609m journey in 2:01.9 at Ashburton in showery conditions today.

He was one of three to easily better the 2:04.4 requirement and finished a good second to the smart **Smiling Shard**. The winner had already qualified on the course in mid November before going north to the **Young Gun Series** at Alexandra Park where he placed second or third in all three starts in the series.

The last half of today's trial was covered in a swift 57.7.

This is the family of last season's 2YO Southland Pacer of the Year **Dustin Bromac** and former **NZ 2YO filly record holder Pascale Bromac** who also won the **Group 2 Nevele R Stakes** and placed third in the **Group 1 NZ Sires Stakes Fillies Championship** as a juvenile.

Other recent two year old **Bromac** breds or close relatives to **Bromac** mares have been :

Merlin Bromac (g **Falcon Seelster** – **Maheer Lass**) – Wyndham qualifier in 2:01.8

Arvee Bromac (g **Courage Under Fire** – **Digital Bromac**) – Ashburton qualifier in 2:02.6

Excel Bromac (c **Falcon Seelster** – **El Victoria**) – Rangiora qualifier in 2:04.6 then trials placed in 2:00MR

Highview Zen (f **Live Or Die** – **Zentua**) – Ashburton qualifier in 2:01.8

It is worth remembering also, that seven of last seasons **Bromac** yearling draft have already qualified this season.
