## TYLER BROMAC TOO STRONG AT FORBURY PARK

Promising three year old **Tyler Bromac** proved too strong in his maiden win at Forbury Park tonight.

Drawn three, the youngster was not rushed early and settled well before landing a spot one out and one back on the outer. He sat there quietly until moving into the death with a round to go and after taking control on the home, finished off his race too well for his opponents.

It was a polished performance from a horse having just his second start. He finished 3rd in his debut at Wyndham on February 26th.

**Tyler Bromac** covered the 2200m mobile in 2:44.9 rating just outside the 2:00 mark with a mile rate of 2:00.9, his last half in 59 flat and the final quarter in 28.9 seconds.

He won by a comfortable one and a half lengths with the third horse a further one and a quarter lengths back. He was the short priced favourite at \$2.60 and \$1.40.

**Tyler Bromac** is a son of **Falcon Seelster** and **Touche Franco**, the third foal and first winner of his dam.

**Touche Franco** is in turn the result of the American breeding of **Jate Lobell** and **Tropez Lobell**. **Tropez Lobell** is of course a daughter of World Champion racemare **Three Diamonds** and thus rates as a half sister to **Life Sign** p3, 1:50.6 \$1,912,454 **champion 1:48 sire**; **Threefold** p3, 1:51.2 \$634,004 1:50 Sire and numerous other winners.
