VIENNA BROMAC WALTZES HOME IN CAROUSEL

Smart mare **Vienna Bromac** made it look easy when she took out her heat of the Allied Brisbane Carousel Series at Bankstown last night.

The **Courage Under Fire** five year old sat back nicely on the outer until being pushed back to second last at the bell.

Three wide in the rear with 400m to run she showed scintillating sprint speed to come round the field 4 wide as they approached the tight home bend and such was her rate of acceleration, albeit it the widest, that she hit the lead soon after straightening and the winning result was never in doubt.

Vienna Bromac recorded 2:42 for the 2140m mobile, a mile rate of 2:01.8 and last fractions of 29 and 28.9 with her last half obviously being much faster.

It was her fourth win from nine starts since landing on Australian shores. She has also recorded 3 placings including a close second in a 1:54.2 mile at Menangle. She took a mark of 1:55.5 winning her heat of the Ladyship Series at the same track.

Vienna Bromac has now won 7 races in her career and over \$40,000.
