SAMARIAS BROMAC DOWNS UNBEATEN FAVOURITE

Smart mare **Samarias Bromac** continued her hot run of seasonal form when she easily downed the previously unbeaten **San Rafaela** in the Kina Craig Southern Belle Speed Series mobile at Northern Southland this afternoon.

Drawing 13 behind the gate over 1700m was the main reason that **Samarias Bromac** was sent out as only 9th favourite in the betting pole despite her top form.

Prior to today's race her formline for the season (her second campaign) read as first up sixth, a win, a second and a win ... certainly enough form to warrant much better support.

However **Samarias Bromac** didn't let the lack of support sway her and she came down the outside far too strongly for **San Rafaela** to keep out.

The overall time for the 1700m was 2:03.8, a mile rate of 1:57.1 with the last half in 58 flat.

It was **Samarias Bromac**'s 5th win to date and along with 7 placings in a relatively short career she has now accumulated earnings over \$37,000.

She is a daughter of **Sammy Too** and **Righteous Hanover**, the latter serving a first crop of only 8 mares for 4 live foals with 4YO **Samarias Bromac** being of the headliner to date. **Righteous Hanover** served no mares the following year and has 22 current two year olds.
