TAS MAN BROMAC NEARS RACE FITNESS

Smart pacer Tas Man Bromac, the winner of nine from 29 starts for Ryal Bush trainer, Nathan Williamson.

Ryal Bush trainer Nathan Williamson is looking to make up for lost time with nine-win pacer Tas Man Bromac (6g American Ideal-Tasmcmanian) this season.

"Tas Man Bromac is back in full work and I am really happy with him.

"I was so confident with him early last season – I thought he'd come up terrific."

"But we went up to Kaikoura and he got severely dehydrated and then he tore a muscle in his hind quarters which side-lined him for quite a while."

Subsequently Tas Man Bromac raced only three times, for two placings, as a five-year-old.

"He will race at the first meeting down here (August 27) and then I'm aiming to sneak him to Canterbury and have a look at some of those early features before the really big names step out."

Williamson has a promising, three-year-old colt to look out for, too.

“He’s an unraced Christian Cullen called Franco Santino, a 3YO colt by Christian Cullen from 1:52.3 Australian winning miler San Rafaella) and we think he’s pretty nice.

“We may look at that Forbury Park Sires Stakes heat with him.”
