Young mare J'Adore Bromac (McArdle-Jillbo) has made a good start to her broodmare career, with two individual winners from her first two foals.

Majadore, a three-year-old daughter of Art Major and J'Adore Bromac, is unbeaten in two New South Wales starts this term for breeder-owner Eric Basham, and trainer-driver Frank O'Sullivan.

She was content to race in the open at Canberra on Monday and proved too good, winning by 1.5 metres in a 2:01.3 rate for the 1770m.

Majadore had also won from the trail at Canberra on March 5, coming clear by 11.4 metres in a 2:01.9 rate for the 1770m.

J'Adore Bromac's first foal (Sir) Macador, who won a Forbury maiden in NZ before making his was across the Tasman, made a good impression winning his first four starts.
