## SMUDGE BROMAC TOO TOUGH TO ROLL AT MELTON

It was a good Friday rather than a Black Friday for **Smudge Bromac** when he won at Melton tonight – Friday, May 13th.

The **Falcon Seelster** gelding led from end to end in the 1720m affair.

Noted sharp finisher **Garnet River** sat on his back throughout after drawing the second line ace draw but couldn't pull in the tough, front running leader.

**Smudge Bromac** covered the journey in a swift 2:04, a mile rate of 1:56.1 with his last quarter in 28 flat, winning by almost 2 metres with double that margin back to the third horse home. It was **Smudge Bromac**'s 14th win – after piling on the wins he had been stuck on the 13th win tally for a few months, but it took a supposedly unlucky 'Black Friday' for him to prove that we all make our own luck!!

He has now won over \$115,000 to date.

He is the middle speedster of the initial trio of foals produced by **Sabrina Bromac**. The first up and running was his elder full brother **Slick Bromac** p, 1:58.7 (23 wins and \$175,000 to date) while little sister **Seshny Bromac** (by **McArdle**) leads on the pure speed front with a 1:53.9 win in March. She has won 8 races and over \$60,000 to date.
