## TIANA BROMAC CRUISES HOME AT KILMORE

**Righteous Hanover** mare **Tiana Bromac** cruised home after controlling the race from the front at Kilmore today.

The four-year-old showed speed from the gate to hit the lead at the outset and that was pretty much the race over.

A younger half sister to big winning **Tanabi Bromac**, **Tiana Bromac** has a very different racing style to her sibling, but when she raced clear at the top of the straight the result was the same ... another win.

It was her second win of the current season for **Tiana Bromac** and she has now won 4 races to date. A statistic that was equalled by brother **Tanabi Bromac** when he won easily later in the evening at Tabcorp Park.
