DIXIE BROMAC CRUISES HOME IN 1:58.9

Holmes Hanover mare **Dixie Bromac** took her Australian record to four wins and two seconds from her six starts when winning easily at the Gold Coast last Friday, Dec 11.

Always in front from the two draw the dominating favourite was never tested over the 1609 metres and won as she liked by over 5 metres.

Dixie Bromac is the first foal of the **OK Bye** mare **Desero**, unraced herself but building a nice record in the breeding paddock.

She is the dam of four foals of racing age - three of them already with records and her current two year old **Dougie Bromac**, a son of **P Forty Seven**, showing good form and finishing speed at the local workouts.

After Dusk, the second foal of **Dawn Bromac**, has won two races to date. Her most recent win was at Gloucester Park on December 1 and she placed in her prelude of the Dainty Daughter Classic on the same track last season.

The third foal is the **Badlands Hanover** filly **Incendio** who raced just four times as a 2YO last year for 2 places but included a third in the \$100,000 **Group 1** Diamond Classic for two year old fillies at Gloucester Park and took a record of 1:58.2 placed.
