## GILT BROMAC BECOMES THE LATEST \$100,000 BROMAC PERFORMER

**Gilt Bromac** broke through the \$100,000 barrier with a convincing win at Horsham today, joining an impressive list of performers.

Settled one out and one back, she had to wait until they came around the home turn to see clear air, but once they straightened up she was out and gone.

The final winning margin was almost 6 metres for the 4 year old **Courage Under Fire** mare but it was the ease with which she went past her opponents that was the most impressive.

The 2200m was covered in 2:44.4 with a mile rate of 2:00.3.

**Gilt Bromac** has been an extremely consistent performer to date with a 75 per cent record of finishing in the top 4 from her 40 starts. She has taken a sub 2:00 record in all three seasons of racing to date.

She is the daughter of former smart filly **Gilt Laughter** who has also produced the 2:00 performers **Gary Bromac**, **Gabrielle Bromac** and **Geld Bromac**.

This is the same family as the current smart West Australian mare **Glitzy Miss** who won the **G2 Empress Stakes** at Gloucester Park in April of this year. A 1:57.8 winner she has won 13 races and over \$160,847 to date.
