PICKET FENCE RUN CONTINUES FOR SLICK BROMAC

Roaring hot favourite **Slick Bromac** took out the Bullivants Safety Cup at Newcastle on Saturday night with ease.

In the process the **Falcon Seelster** four year old racked up his fifth win in a row to remain unbeaten on Australian soil.

The victory was achieved with a mile rate of 1:59.9 for the 2030m distance, just a tenth of a second outside the mark he took in his final three year old start last season.

However after sitting pat second back on the outer this time, he was not asked for an effort until 400m out when he started on a challenge run that took him to a 3 wide lead as the field entered the home turn. Clear on straightening he won with a conservative margin of 3 ½ metres.

Slick Bromac is now the winner of 6 races from just 11 Australasian starts – his 5 wins on Australian soil have been accomplished since he debuted there on 14 August this year, less than 5 weeks ago!
