## BROMAC QUINELLA AT TABCORP PARK

Big winning **Tanabi Bromac** notched his second win of the new season when he came home too strongly for his opponents in the AFL Life Members Pace at Tabcorp Park in Melton last night.

The **Live Or Die** gelding took his lifetime earnings to not far short of the \$400,000 barrier in recording his 19th win.

Second home was the up and coming **Hollywood Bromac** who showed tenacity to stick on and come back in the home straight after sitting in the death throughout. He looked to be battling as **Tanabi Bromac** loomed up outside him on the home turn but fought strongly and came again to fill the runner up spot in front of **Luv Tha Aces Lombo** and **The Gunstar**, both having had much softer runs.

**Hollywood Bromac** had actually won the corresponding race last month at Tabcorp Park with **Tanabi Bromac** filling the third spot with another **Live Or Die** in **Megasam** finishing wedged between them.

**Tanabi Bromac**'s dam **Tanabi** was also to the fore earlier in the day after younger half sister **Tiana Bromac** easily took out her event at Kilmore.
