ZANZI RUNS THEM OFF THEIR FEET

He ran them off their feet in his heat of the Tontine Series for trotters at Horsham last week and this past Thursday **Zanzi Bromac** simply repeated the dose.

This time he was the clear favourite after vying for it in his heat.

Off a handicap of 20m he was three wide for the early part of the race as he progressed around the field, but once he got to the lead in the middle stages the race was as good as over.

Upping the tempo shortly after the bell sounded, gaps appeared and most of the field were no chance for the first three positions as far as 700m out.

Clear rounding the turn he came home well within himself for an easy victory. **Trailer Prince of All** and **Fiery Salute** (1 out, 1 back) were the only ones within "coo-ee" of him as they crossed the line.

Zanzi Bromac covered the 2680 metres in 3:33.4. It was his fifth victory in just seven starts this season. The super consistent 4YO has finished third in his other two starts, one of them being the **Group 1** VICBred 4YO Final.
