ELVIRA BROMAC TWO FOR TWO THIS WEEK

Badlands Hanover filly **Elvira Bromac** made her Australian debut at Globe Derby this past Monday and won easily, then backed it up yesterday with another win at the Globe Derby track.

Monday's run saw her starting a commanding favourite at win odds of \$1.50 and only one other runner in single figures.

Starting from 2 on the second row she came from 3 wide without cover entering the last lap to win easily over the 2,230 metres by a margin of over 7 metres.

Last night it was much the same ... once again the hot favourite with only one other runner in single figures. However this time she drew the six hole and was wide for much of the race before hitting the lead and then the race was over.

Her final margin of authority was almost 20 metres rating 2:51.6 for the 2,230 metres and a mile rate of 2:03.8. Not overly fast but a second and a half faster than the win on Monday and an assurance that there was a lot more to come.

Elvira Bromac raced four times in NZ before flying to Australia, for a win and two seconds. Her win was over the 2200m mobile where she rated 2:02.7 and both seconds came from standing starts and gave evidence of the potential within.

She is the third foal of the **Falcon Seelster** mare **Extreme Dash** who was unraced. Her first foal **Express Dash** (colt, **Mystical Shark**) qualified but did not race while her second foal, the **Live Or Die** mare **Eartha Bromac** has also qualified and is lightly raced to date.

Extreme Dash's fourth foal is the unraced **Holmes Hanover** colt **Extreme Bromac** while she has a yearling filly in **Elmas Bromac** by **P Forty Seven**.

Extreme Dash's dam is the **OK Bye** mare **Express Franco** who has produced 8 named foals to date for seven qualifiers, 5 winners including the 2:00 performers **The Express Way** p, 1:57.5 (27 wins), **Striking Dash** p, 1:59.7 AU (11 wins) and **Kyeamba** p, 1:59.8 NZ.

She is the daughter of **Easy Key** who won 14 races including the VIC Youthful Stakes as a two year old filly and has produced 7 winners to date - 5 of them 2:00 winners including the 1:55 performers **EASY DASH** p, 1:50.4 US and **Elusive Franco** p, 1:55 US. Another big winner for **Easy Key** was the **Holmes Hanover** colt **Franco Elect** p, 1:59 (15 wins \$133,256), while daughter **Electrofying Franco** p, 1:59.8 rated the NSW Gold Tiara amongst her 11 wins then went to the paddock to produce the high speed mare **Lynne Falcon** who won 5 NZ races and continued the family speed production with her first foal being last season's speedy 3YO filly **Millwood Nebraska** p3, 1:57 (3 wins and \$32,872 to date).

More on the family can be seen by visiting our Broodmare section.
