TIANA HOME EASILY IN BREAKTHROUGH WIN

Well bred filly **Tiana Bromac** made it look easy when she scored first win at Hamilton last Thursday.

The **Righteous Hanover** – **Tanabi** three year old showed gate speed from her starting position of five to hit the lead early and was never headed afterwards.

Runner up **Hei Elise** sat outside the leader for the final lap and applied pressure at the 400m, but once they straightened for the run home **Tiana Bromac** came away from the field to win by an untouched 4 metres. **Hei Elise** held on gamely for second with trailer **Fremarksflauntit** just lasting for third.

The 2160m journey was covered in a time of 2:44.2 with a mile rate of 2:02.3 and a last half of 58.5 and quarter in 28.4.

Tiana Bromac is a half sister to big winning **Tanabi Bromac**, a Victorian Derby winner at 3 and a winner of the Group 2 races – the Shepparton Cup and Horsham Cup - this season. This past Friday he also finished second in **Smoken Up**'s sub 1:51 \$100,000 Group 1 Len Smith Mile. It would be fair to say that luck and **Tanabi Bromac** have not been on the same page a lot this season. He finished third in his first heat of the Inter Dominion series at Harold Park but is still looking for the room to run his second heat.

More on Tiana Bromac can be seen by visiting her dam Tanabi in our broodmares section.
