HUDSON BROMAC TOO SLICK ON GOLD COAST

Four year old **Hudson Bromac** made it look easy winning his third race since November 22 when he scored easily on the Gold Coast today.

Off the 10m mark he began swiftly and settled into the trail where he stayed until they straightened for the run home. As soon as the passing lane appeared he flew through and won untouched by an ever increasing margin of 3.6 metres.

The **Falcon Seelster** gelding recorded 2:42.4 for the standing start 2100m, but it was not until the last half that the runners started to focus on speed and the last quarter was covered in 28.9 seconds.

Hudson Bromac has now won 5 races lifetime and taken a mark of 1:59.1, although he has taken a 1:57 placed time.
