HOLLYWOOD BROMAC DOES IT BIG AT GEELONG

When you're hot you're hot and **Hollywood Bromac** was just that at Geelong on July 24th.

Sent out as the public elect, the **Red River Hanover** four-year-old was flushed out 3 wide in the open with a lap to run, but still proved too strong for his opponents despite the leader running 28 sectionals for the last half.

Hollywood Bromac recorded a 2:33.8 time for the 2100m with the mile rate a good 1:57.8, the last half in 57.3, the quarter in 28.6.

He has been super consistent this season winning 10 of his 20 starts and finishing second five times, third once, three fourths and a fifth. Two of those fourths were in black type races.

That followed three unbeaten starts at three years and with earnings of over \$83,000 to date, it seems only a matter of time before he surpasses the \$100,000 in earnings.
