And the reason why you should be checking out offerings

Did you know that we offered 4 yearlings at last year's sale and 2 of them are already qualified and that ALL three of the yearlings we offered at the previous year's sale have won including the 2:00 2YO winner **CULLEN BROMAC** who numbered the Moonee Valley Premiere S, VIC Youthful S and ht of the AU Breeders Crown amongst his debut season wins.

Since 2008 we have offered 13 yearlings at the Auckland Sale for 7 winners and 2 current 2YO qualifiers. That is almost 65% of our offerings have already taken a record!!!
